Terms & Conditions:

1. The Budget Only oil price is estimated at \$2.50 per gallon, but not guaranteed at that price, unless you are in the CAP & BUDGET program; your charge will be the posted price which is determined at the time of delivery.
2. If your budget account is not enough to cover your deliveries, whether caused by increased fuel usage (i.e. more people in the home, construction, or anything that may alter your fuel consumption) or unforeseen price increase in the heating oil market, your monthly payment will be adjusted accordingly or you may need to pay at the time of delivery.
3. Any non-payment of two months or more or returned check of the monthly budget due will void this contract at the discretion of Affordable Fuels.
4. We require that all storage tanks be equipped with overfill protection such as a vent alarm (whistle) and be safe to fill. (Please Check your Tank annually)
5. The budget payment plan is not self-renewing; you must enroll every year.
6. At the end of the heating season April 30, 2019, any credit balances will be taken into consideration for computation of your new payment for the next heating season.
7. Cap Gallons revert back to current price when your estimated gallons are depleted or at the end of the CAP Budget Year.
